2023 BIO Riesling – VOM MUSCHELKALK – trocken

vintage:	2023
grape variety:	Riesling
taste.:	trocken
producer region:	Rheinhessen
alcohol:	13,0 % vol.
acidity:	7,6 g/l
residual Sugar:	3,1 g/l

This "little Hundertgulden" comes from young Riesling vines in our limestone-laced top vineyard. Dried apricots mingle with a fine salinity, extract and spice to exert lithe strength on the palate. It owes its distinctive character to the coral reef that once shaped the soils here during the Tertiary age. It is represented on the label by a common fossil from that period.
