| acidity: | 6,5 g/l |
| residual Sugar: | 3,1 g/l |
| EAN: 4260150430058 | |

Our popular Sauvignon Blanc is crafted from batches of healthy grapes from our various vineyards, all harvested at different times. This produces a complex range of cool aromas from gooseberry and elderberry to green asparagus with tropical fruits, redolent of the wines from its native country of New Zealand (represented here by a small Kiwi bird).
