### 2021 Riesling „Herrenberg“ Lagenwein

The red slate soils of the Herrenberg bestow an unmistakable character to these wines. We restrict yields from the Riesling vines growing in these terraced vineyards to just 30 hl/ha. The slow, wild ferment wines are left on their fine lees up through summer, lending them a delicious synergy of fruit and elegance. Just as a true gentleman is never fully dressed without hat and cane, this wine proudly wears its deep regional roots.
