This Saar Riesling reveals a beautiful harmony of minerality, fruit aromas of citrus and ripe apricots and a nimble acidity. It is crafted from optimally ripe grapes grown on the old vines (30+ years) that thrive in the steep slopes of the Oberemmel Rosenberg. The sun-kissed hillside rises parallel to the renowned Scharzhofberg vineyard, with warm slate soils that serve as a playground to many creatures bright and beautiful, from lizards to insects. And, of course, butterflies like on our label.
