2022 Blanc de Noir trocken

vintage:	2022
grape variety:	Spätburgunder
taste.:	trocken
producer region:	Mosel (Saar)
alcohol:	11,5 % vol.
acidity:	5,4 g/l
residual Sugar:	9,0 g/l

Our best Spätburgunder grapes from the Rosenberg vineyard are gently pressed and vinified like a white. The result: a creamy wine of an almost playful character thanks to its delicate, acidity and subtle cassis aromas. The zebra striped label makes a charming visual play on the "blanc de noir" vinification process, where white wine is produced from red grapes.
